

## Характеристики

| API SPEC | SEPARATION<br>Micron | PART<br>NUMBER<br>FALCON | PART<br>NUMBER<br>MONGOOSE | PART<br>NUMBER<br>ALS | PART<br>NUMBER<br>Brandt<br>Cobra | PART<br>NUMBER<br>FLC-2000 | PART NUMBER<br>AXIOM AX-1 | PART<br>NUMBER<br>FLC-500 |
|----------|----------------------|--------------------------|----------------------------|-----------------------|-----------------------------------|----------------------------|---------------------------|---------------------------|
| API 25   | 780.0 - 925.0        | DT-024-FCN               | DT-024-MGS                 | DT-024-SWC            | DT-024-BHX                        | DT-024-D48                 | DT-024-AX1                | DT-024-D50                |
| API 35   | 462.5 - 550.0        | DT-038-FCN               | DT-038-MGS                 | DT-038-SWC            | DT-038-BHX                        | DT-038-D48                 | DT-038- AX1               | DT-038-D50                |
| API 40   | 390.0 - 462.5        | DT-045-FCN               | DT-045-MGS                 | DT-045-SWC            | DT-045-BHX                        | DT-045-D48                 | DT-045- AX1               | DT-045-D50                |
| API 50   | 275.0 - 327.5        | DT-050-FCN               | DT-050-MGS                 | DT-050-SWC            | DT-050-BHX                        | DT-050-D48                 | DT-050- AX1               | DT-050-D50                |
| API 60   | 231.0 - 275.5        | DT-084-FCN               | DT-084-MGS                 | DT-084-SWC            | DT-084-BHX                        | DT-084-D48                 | DT-084- AX1               | DT-084-D50                |
| API 70   | 196.0 - 231.0        | DT-105-FCN               | DT-105-MGS                 | DT-105-SWC            | DT-024-BHX                        | DT-105-D48                 | DT-024- AX1               | DT-105-D50                |
| API 80   | 165.0 - 196.0        | DT-120-FCN               | DT-120-MGS                 | DT-120-SWC            | DT-120-BHX                        | DT-120-D48                 | DT-120- AX1               | DT-120-D50                |
| API 100  | 137.5 - 165.0        | DT-165-FCN               | DT-165-MGS                 | DT-165-SWC            | DT-165-BHX                        | DT-165-D48                 | DT-165- AX1               | DT-165-D50                |
| API 120  | 116.5 - 137.5        | DT-200-FCN               | DT-200-MGS                 | DT-200-SWC            | DT-200-BHX                        | DT-200-D48                 | DT-200- AX1               | DT-200-D50                |
| API 140  | 98.0 - 116.5         | DT-230-FCN               | DT-230-MGS                 | DT-230-SWC            | DT-230-BHX                        | DT-230-D48                 | DT-230- AX1               | DT-230-D50                |
| API 170  | 82.5 - 98.0          | DT-270-FCN               | DT-270-MGS                 | DT-270-SWC            | DT-270-BHX                        | DT-270-D48                 | DT-270- AX1               | DT-270-D50                |
| API 200  | 69.0 - 82.5          | DT-325-FCN               | DT-325-MGS                 | DT-325-SWC            | DT-325-BHX                        | DT-325-D48                 | DT-325- AX1               | DT-325-D50                |
| API 230  | 58.0 - 69.0          | DT-350-FCN               | DT-350-MGS                 | DT-350-SWC            | DT-350-BHX                        | DT-350-D48                 | DT-350- AX1               | DT-350-D50                |
| API 270  | 49.0 - 58.0          | DT-370-FCN               | DT-370-MGS                 | DT-370-SWC            | DT-370-BHX                        | DT-370-D48                 | DT-370- AX1               | DT-370-D50                |
| API 325  | 41.5 - 49.0          | DT-400-FCN               | DT-400-MGS                 | DT-400-SWC            | DT-400-BHX                        | DT-400-D48                 | DT-400- AX1               | DT-400-D50                |
